Amina (also Aminatu; died 1610) was a Hausa warrior queen of the city-state Zazzau (present-day city of Zaria in Kaduna State), in what is now in the north-west region of Nigeria. She ruled in the mid-sixteenth century. Her real biography has been somewhat obscured by subsequent legends and folk tales.

Amina - Wikipedia

Aminah definition, a female given name: from an Arabic word meaning [honest and faithful].  
See more.

Aminah | Definition of Aminah at Dictionary.com

Amina Invisible Loudspeakers can be thought of as half loudspeaker, half construction material. Replacing a small section of drywall, the loudspeaker becomes part of the property itself. Being fully covered with a wet skim coat or patch covering of plaster/mud, Mobius speakers can be painted/wallpapered over to seamlessly blend in with the space.

In the companion novel to the beloved and award-winning *Amina's Voice*, Amina once again uses her voice to bridge the places, people, and communities she loves—this time across continents. It's the last few days of her vacation in Pakistan, and Amina has loved every minute of it. The food, the shops, the time she's spent with her family—all of it holds a special place in Amina's heart. Now that the school year is starting again, she's sad to leave, but also excited to share the wonders of Pakistan with her friends back in Greendale. After she's home, though, her friends don't seem overly interested in her trip. And when she decides to do a

presentation on Pakistani hero Malala Yousafzai, her classmates focus on the worst parts of the story. How can Amina share the beauty of Pakistan when no one wants to listen?

"A Pakistani-American Muslim girl struggles to stay true to her family's vibrant culture while simultaneously blending in at school after tragedy strikes her community"--

Etsu Tsudi, a wicked, bloodthirsty ruler of the West African Nupe empire, invades Zazzau; a small village in Hausaland. This triggers an irreversible sequence of events that sets Amina, a would-be warrior princess, on a quest to save her people from Etsu Tsudi's tyranny. But, against a culture and time when female activism is forbidden, and with looming uncertainty over what Zazzau's ancestral gods have fated for her, Amina's quest appears doomed from the start. Sholape Kolawole's debut novel is a fascinating excursion to sixteenth century West Africa. Enjoy the coming of age of a powerful African warrior - Queen Amina of Zazzau. Sholape delivers Amina's world in vivid, exciting detail against a backdrop of adventure, conflict, and ancestral power.

Amina lives on the edges of Mogadishu. Her family's house has been damaged in Somalia's long civil war, but they continue to live there, reluctant to leave their home. Amina's world is shattered when government forces come to arrest her father because his art has been officially censored, deemed too political. Then, rebel forces kidnap Amina's brother. She reacts by creating street art to give herself a sense of hope and to share with people all over the city who hope for a better, more secure future.

The first pro-faith attempt by a Muslim woman to present a comprehensive, female-inclusive reading of the "Qu'ran", the sacred Islamic text.

In this story Wuraola, Nneka and Azeezah learn how sixteen year old Queen Amina protected her land from jealous neighbours by building walls around it and riding around them on her horse, called Demon, shooting the enemy with her bow and arrow. You can still see evidence of Aminas walls today if you look very carefully in the sand.

FINALIST FOR THE CENTER FOR FICTION'S FIRST NOVEL PRIZE "Cain's small but mighty novel reads like a ghost story and packs the punch of a feminist classic." "The New York Times Book Review A haunted feminist fable, *Amina Cain's Indelicacy* is the story of a woman navigating between gender and class roles to empower herself and fulfill her dreams. In "a strangely ageless world somewhere between Emily Dickinson and David Lynch" (Blake Butler), a cleaning woman at a museum of art nurtures aspirations to do more than simply dust the paintings around her. She dreams of having the liberty to explore them in writing, and so must find a way to win herself the time and security to use her mind. She escapes her lot by marrying a rich man, but having gained a husband, a house, high society, and a maid, she finds that her new life of privilege is no less constrained. Not only has she taken up different forms of time-consuming labor—social and erotic—but she is now, however passively, forcing

## Get Free Amina

other women to clean up after her. Perhaps another and more drastic solution is necessary? Reminiscent of a lost Victorian classic in miniature, yet taking equal inspiration from such modern authors as Jean Rhys, Octavia Butler, Clarice Lispector, and Jean Genet, Amina Cain's *Indelicacy* is at once a ghost story without a ghost, a fable without a moral, and a down-to-earth investigation of the barriers faced by women in both life and literature. It is a novel about seeing, class, desire, anxiety, pleasure, friendship, and the battle to find one's true calling.

“For inspiring empathy in young readers, you can’t get better than this book.” —R. J. Palacio, #1 New York Times bestselling author of *Wonder* In the companion novel to the beloved and award-winning *Amina’s Voice*, Amina once again uses her voice to bridge the places, people, and communities she loves—this time across continents. It’s the last few days of her vacation in Pakistan, and Amina has loved every minute of it. The food, the shops, the time she’s spent with her family—all of it holds a special place in Amina’s heart. Now that the school year is starting again, she’s sad to leave, but also excited to share the wonders of Pakistan with her friends back in Greendale. After she’s home, though, her friends don’t seem overly interested in her trip. And when she decides to do a presentation on Pakistani hero Malala Yousafzai, her classmates focus on the worst parts of the story. How can Amina share the beauty of Pakistan when no one wants to listen?
