Now includes a bonus excerpt from Meg Cabot's new Heather Wells novel, *Size 12 and Ready to Rock*, available wherever books are sold July 10. Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two—and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and

Get Free Chapter One Meg Cabot

glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen—not the police, her colleagues, or the P.I. who owns the brownstone where she lives—even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal.

And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

In this brand-new novel from #1 New York Times bestselling author Meg Cabot, a scandal brings a young man back home to the small town, crazy family, and first love he left behind. Reed Stewart thought he 'd left all his small town troubles—including a broken heart—behind when he ditched tiny Bloomville, Indiana, ten years ago to become rich and famous on the professional golf circuit. Then one tiny post on the Internet causes all of those troubles to return . . . with a vengeance. Becky Flowers has worked hard to build her successful senior relocation business, but she 's worked even harder to forget Reed Stewart ever existed. She has absolutely no intention of seeing him when he returns—until his family hires her to save his parents.

Get Free Chapter One Meg Cabot

Now Reed and Becky can't avoid one another—or the memories of that one fateful night. And soon everything they thought they knew about themselves (and each other) has been turned upside down, and they—and the entire town of Bloomville—might never be the same, all because *The Boy Is Back*.

The New York Times bestselling hit from Meg Cabot Samantha Madison is just your average sophomore gal living in DC when, in an inadvertent moment sandwiched between cookie-buying and CD-perusing, she puts a stop to an attempt on the life of the president. Before she can say “MTV2” she's appointed Teen Ambassador to the UN and has caught the eye of the very cute First Son. Featuring Meg Cabot's delightful sense of humor and signature romance that made *The Princess Diaries* such a hit, this New York Times bestselling

Get Free Chapter One Meg Cabot

standalone novel is sure to please fans and new readers alike.

New from #1 New York Times bestselling author Meg Cabot, a dark, fantastical story about this world . . . and the underworld. Though she tries returning to the life she knew before the accident, Pierce can't help but feel at once a part of this world, and apart from it. Yet she's never alone . . . because someone is always watching her. Escape from the realm of the dead is impossible when someone there wants you back. But now she's moved to a new town. Maybe at her new school, she can start fresh. Maybe she can stop feeling so afraid. Only she can't. Because even here, he finds her. That's how desperately he wants her back. She knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him

Get Free Chapter One Meg Cabot

most. But if she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

New York Times-bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But

Get Free Chapter One Meg Cabot

fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he’s doing about the Island’s real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man’s arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly’s. Good thing she doesn’t work for him, considering how attracted he is to her. Molly’s lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she’s a witness but might be good once the case is solved—provided he hasn’t gotten on her last nerve by then. Recently divorced, John has been having trouble

Get Free Chapter One Meg Cabot

adjusting to single life as well as single parenthood. But something in Molly ' s beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, No Offense will tug at readers ' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.

Do you want to be popular? Everyone wants to be popular—or at least, Stephanie Landry does. Steph's been the least popular girl in her class since a certain cherry Super Big Gulp catastrophe five years earlier. Does being popular matter? It matters very much—to Steph. That's why this year, she has a plan to get in with the It Crowd in no time flat. She's got a secret weapon: an old book called—what else?—How to Be Popular. What does it take to be popular? All Steph has to do is follow

Get Free Chapter One Meg Cabot

the instructions in *The Book*, and soon she'll be partying with the It Crowd (including school quarterback Mark Finley) instead of sitting on The Hill Saturday nights, stargazing with her nerdy best pal Becca, and even nerdier Jason (now kind of hot, but still), whose passion for astronomy Steph once shared. Who needs red dwarves when you're invited to the hottest parties in town? But don't forget the most important thing about popularity! It's easy to become popular. What isn't so easy? Staying that way.

There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, *Copkiller*, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where *Copkiller IV* is currently shooting, their pilot turns murderous

Get Free Chapter One Meg Cabot

and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another?

Sixteen-year-old Suze Simon can mediate between the living and the dead, and she hopes her move to California will be a fresh start, but a hot ghost named Jesse haunts her bedroom and another ghost is bent on vengeance at school.

The one and only Mia Thermopolis is back and ready to reign! Celebrate the 20th anniversary of Meg Cabot's blockbuster series in royal style—with all-new middle grade editions of the first three books! Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine, flat-chested freshman, who also happens to be flunking Algebra. Is she ever in for a surprise. First Mom announces that she's dating Mia's Algebra teacher. Then Dad has to go and reveal that he is the crown prince of Genovia. And guess who still doesn't have a date for the Cultural Diversity Dance? The Princess Diaries is the first book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

Meg Cabot, #1 New York Times bestselling author of The Princess Diaries, returns to Little Bridge Island with a new story about a

Get Free Chapter One Meg Cabot

children's book author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. Don't Judge a Book by Its Author... Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she'd never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there. Then Jo's given an offer she can't refuse: an all-expense paid trip to speak and sign at the island's first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival's more-than-generous speaking fee. She's suffering from a crippling case of writer's block on the next installment of her bestselling children's series, and her father needs financial help as well. Then Jo hears that

Get Free Chapter One Meg Cabot

Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions—and more than willing not only to make amends, but prove to Jo that he 's a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone?
