We are very pleased to
be able to present the
sixth edition of our
Color Atlas and Text of
Histology, an atlas that

Online Library Color Atlas Of

has been in continuous use since its first publication as a black and white atlas in 1987.

The success of that atlas prompted us to revise it considerably, retake all of the images in full color, change its name, and publish it in 1990 under the title Color Atlas of Histology.
