Divine wisdom for your everyday life from the book of Proverbs. In the Proverbs, God offers us wisdom for real life and he shows us Jesus, who was wisdom personified and exemplified. This accessible, absorbing expository guide to the Proverbs by Kathleen Nielson brings these ancient sayings to life, helping ordinary Christians to see what it can look like to enjoy living in line with God's wisdom in the great multitude of everyday situations and decisions we face. This book gives an expository rather than topical treatment to the book of Proverbs, so it can be read as originally intended. It also has more application than a typical commentary, making it a great resource for personal devotions, as well as useful for leading small-group studies or sermon preparation.
