Substantive research on gangs and gang membership has taken place in the last 20 years. Scott Decker, director of the School of Criminology and Criminal Justice, wanted to take this explosion of information, quail its fire and craft a better understanding of the future of gangs in an article titled "What Do We Know About Gangs and Gang Members and Where Do We Go From Here?"

The future of gang research | ASU Now: Access, Excellence ...
Street Gangs. Street Gangs Research Papers look at the different factors that influence the participation in gangs. Street gangs and the accompanying incidence of gang violence is not a phenomenon that is confined to the nation's inner cities, minority classes or the male gender. According to the research conducted by an author, although gang organizations exist predominantly in large cities, the incidence of gang behavior can also be found in suburban areas with much smaller populations.
