Geography syllabus, learners will develop a "sense of place" by looking at the world around them on a local, regional and global scale. Learners examine a range of natural and man-made environments, and learn about some of the processes that affected their development. They will also look at the ways in which people interact with their environment, and the opportunities and challenges an environment can present, thereby gaining a deeper insight into the ...

this revision guide helps students understand the processes that affect physical and human environments on a local, regional and global scale. The narrative style of the revision guide, with detailed explanations, complements the range of activities in the coursebook and reinforces understanding. Exam-style questions, international case studies and example maps give students practice with course content and skills in preparation for assessment. Sample answers to all the questions are in the back of the book.

□ critical notes to exam concepts □ enable accurate, complete and independent self education □ holistic question answering techniques □ quickly preparation before taking the actual exams □ complete edition and concise edition eBooks available

How do you survive your best friend's suicide? Alyessa jumps to her death two days after her 16th birthday. Her best friend Lee-Ann blames the tragedy on her failure to answer Aly's last phone call. Haunted by what-ifs, stressed out by the looming O Levels, and troubled by fraught relationships with her parents and on-off boyfriend Nate, Lee-Ann begins to contemplate suicide too. In Lee-Ann's searingly honest diary entries, she exposes the wound of having a loved one gone too
