For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

This book is written for students who have intermediate proficiency in English, but need to practice conversing on a variety of topics. Each section in the book is designed to intertwine discussion questions with interesting topical facts and opinions in order to guide students to speak as much as possible within the class period. Students will explore text and visual media to expand their knowledge of essential vocabulary for confident free talking.
