Amazon.com: Customer reviews: Introduction to Psychology ...

A loose leaf is a piece of paper that is not bound in place, or available on a continuous roll, but typically punched so as to be organized in a ring binder. Loose leaves may be sold as free sheets, or made up into notepads, where perforations allow them to be removed easily. "Leaf" in many languages refers to a sheet or page of paper, as in Folio, as in feuille de papier, hoja de papel, foglio di carta.
