This was a good book to read on Prophetic Preaching. It did a nice mix of the concept of prophetic preaching, its theology, and ways to approach it. I also like

how she advocates for prophetic preaching to become a regular part of a pastor's preaching schedule but that is should also be balanced with the pastoral needs of the congregation.

quo.” 3. HW: Exactly.

Prophetic preaching not only challenges the status quo but offers theological and biblical insights into the current human situation from an individual's enslavement to sin to current cries for freedom echoed around the world in massive protests.
