Combining theory from cognitive semantics and pragmatics, this book offers both a new model and a new usage-based method for the understanding of intersubjectivity, and how social cognition is ...

Language and Social Minds  
Examining and developing the work of 'cognitive film semiotics', a neglected branch of film theory that combines the insights of cognitive science with those of linguistics and semiotics, he ...

The Cognitive Semiotics of Film  
Alarm about critical race theory—a previously obscure field of study pioneered by far-left legal scholars and sociologists—has suddenly gripped the political right. This development has forced ...

Critical Race Theory Can't Be Banned. It Can Be Exposed, Mocked, and Avoided.  
Elementary Aspects of the Political’ urges that we take a step back and ask the fundamental question about how the political comes to be.

How do we define the political? How should we? Prathama Banerjee asks this question in her new book  
But like any debate which seeks to make a fixed ideological orthodoxy over whether the chicken preceded the egg or vice versa, it can’t help but degenerate into something semantic, embattled and ...

Trumpism is a Politics of Loss and Revenge  
Proponents of Critical Race Theory are resorting to semantic gaslighting to defend a dogma that most Americans instinctively abhor. Some pundits claim that CRT is exclusively a school of thought ...

Stop gaslighting parents on critical race theory  
Regardless of semantics, this fight is now drawing the attention of the nation’s largest teachers union. The National Education Association is promising to defend the right of teachers to teach the ...

Teachers Union President Weighs In On Critical Race Theory Debate  
The threshold question, itself the subject of rancorous and oftentimes disingenuous debate, is what the term "critical race theory" (CRT) even refers to. When this semantic debate surfaces ...

Yes, We Should Ban Critical Race Theory from Our Schools | Opinion  
General semantics principles and best practices should be required reading for all in politics today – and in our schools in lieu of Critical Race Theory. Gerry would undoubtedly approve.

Community Voices: Our nation needs more Gerry Haslams  
The threshold question, itself the subject of rancorous and oftentimes disingenuous debate, is what the term “critical race theory” even refers to. When this semantic debate surfaces ...

Why America needs to ban critical race theory in schools  
He’s playing a dishonest semantics game he thinks he can win. Thankfully, we have plenty of documentation proving critical race theory is taught in Washington schools. It’s even being forced ...

Rantz: Superintendent says WA schools don’t teach critical race theory – that’s a lie  
All of these conservative media semantics are connected to the concept of “woke.” If you’re woke, then according to Fox News you support socialism and critical race theory, back The Squad ...

Opinion: Conservative Media’s Echo Chamber Sees All America as ‘Woke’  
Proponents of critical race theory are resorting to semantic gaslighting to defend a dogma that most Americans instinctively abhor. These definitions are, of course, mutually exclusive.
