Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: "In their lives on earth you give us an example. In our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection." Moreover, as the Second Vatican Council put it, "every act of love offered by us to those who are in heaven tends to and terminates in Christ, 'the crown of all the saints, ' and through him in God who is wonderful in his saints and is glorified in them." This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

A WAR FOR THE SOUL OF DETROIT. Elena Abbott is one of Detroit's toughest reporters—and after defeating the dark forces that murdered her husband, she's focused on the most important election in the city's history. But when someone uses dark magic to sabotage the campaign of the prospective first Black mayor of Detroit, it becomes

Download Free Supernatural Official 2018 Calendar Square Wall Format

clear to Abbott that the supernatural conspiracy in her city is even greater than she ever imagined. Now Abbott must exhaust all her abilities as a reporter and a supernatural savior to rescue Detroit—but at what cost to her own life?

Living a life with chronic illness can be like navigating a difficult, winding road on a journey filled with choices and questions, hopes and tears. We may see the signs along the way leading us in the right direction, yet we can be distracted by doubts or by the promise of a shortcut. So how do we find the way to healing and peace, avoiding the obstacles and distractions along the road? My New Normal is an inspiring memoir of one woman's experience confronting and managing chronic illness. Through introspective moments of pain and doubt, author Alison Carter reveals how she was able to renew her faith and find peace, and she invites you on her search for answers as she navigates opinions and beliefs about illness, reflects on why we suffer, and discovers how to find purpose when normal no longer exists. From the moment she admitted that something was wrong, and even up to her arrival at acceptance, Alison's faith faced moments of both heartbreaking hesitation and uplifting renewal. Join Alison on her journey as she learns to define and redefine what it means to thrive while living with chronic illness.

A land of extremes, from active volcanic peaks to dense rain forests, Guatemala has sustained great civilizations and attracted foreign conquerors. While shadows of its vicious, decades-long civil war still linger, Guatemala's people work toward peace and stability in the face of corruption and impunity. Illuminating photographs, insightful facts, and informative sidebars help the reader discover what it's like to live in today's Guatemala, its ancient beginnings, dramatic landscape, rich culture, resilient people, and more.
