"The Common Core State Standards (CCSS) are the first academic standards to be independently adopted by almost every state in the country. The purpose and intent of the Common Core standards for English Language Arts (ELA), as well as Literacy in History/Social Studies and Science education, are the focus of this book. This volume is aimed at educators, administrators, graduate students, university

professors, and others who deal with students in grades 3 through 5. Each of the chapters addresses one of the major English Language Arts domains: literature, informational texts, foundational skills, writing, speaking and listening, language, technology, and assessment. They contain invaluable information, insight, and research from literacy leaders in their respective fields. Their objective is twofold: to provide a theoretical background and detailed explanation of each of the CCSS/ELA standards, as well as practical suggestions, classroom vignettes, models, instructional resources, and unit ideas to implement the standards"--

A comprehensive introduction to middle school teaching, this textbook focuses explicitly on instructional strategies that encourage adolescents to become active participants in their own learning within a world of accountability and standardized testing. The author, an experienced middle school teacher and teacher educator, takes a constructivist approach to teaching that considers the whole child, including the emotional, psychological, social, and cultural variables uniquely associated with adolescence. The text examines the full range of middle school topics, from the development and diversity of middle school learners, to the structures, curriculum, and management of the classroom itself. Special features include: "Empowering Middle School Students to Take Ownership of their Learning," "Teaching Scenario," "Key Points," and "Creating an Anti-Oppressive Atmosphere in Your Classroom" textboxes help teachers gain a clearer understanding of content presented and encourage them to become reflective practitioners. Callouts throughout explicitly link chapter content to NMSA standards. Discussion of the unique challenges of actively engaging bilingual students, special needs students, and students exhibiting antisocial behavior. Accounts about middle school students illustrate the ways adolescents think about school and learning. A chapter that focuses on ways teachers can apply the general teaching strategies to specific subject
