The Book of Totally Irresponsible
Science: 64 Daring ...

The Book of Totally Irresponsible Science presents clear instructions for 64 "daring" experiments. The information is presented clearly and directly. Included in each experiment is a list of items needed (mostly items you can find around the house), a warning listed as "Take Care!", and a scientific explanation called "The Scientific Excuse".

Science awakens kids' curiosity while demonstrating scientific principles like osmosis, air pressure, and Newton's Third Law of Motion. Kids will love performing these experiments, which use common household ingredients and equipment, in front of an audience or for themselves (though many require adult supervision).
