The First Socialist Society: A History of the Soviet Union ...

The First Socialist Society is the compelling and often tragic history of what Soviet citizens lived through from 1917 to 1993, told with great sympathy and perception. Tracing the evolution of the Soviet political system from its origins in 1917, Geoffrey Hosking shows how power has rarely been transmitted outside a tightly knit ruling elite and explains the forms of contact that have existed between rulers and ruled.

First Socialist Society: A History of the Soviet Union ...

The first concerns the extent and the kind of property that society should own or control. Some socialists have thought that almost everything except personal items such as clothing should be public property; this is true, for example, of the society envisioned by the English humanist Sir Thomas More in his Utopia (1516). Other socialists, however, have been willing to accept or even welcome private ownership of farms, shops, and other small or medium-sized businesses.

socialism | Definition, History, Examples, & Facts ...

The Australian Labor Party was the world's first elected socialist party when it formed government in the Colony of Queensland for a week in 1899.

History of socialism - Wikipedia

Preamble: "Further pledging that it shall be a fundamental aim of the State to realise through the democratic process, a socialist society free from exploitation, a society in which the rule of law, fundamental human rights and freedoms, equality and justice, political, economic and social, will be secured for all citizens".

The First Socialist Society Essay

Socialism is a political, social and economic philosophy encompassing a range of economic and social systems characterised by social ownership of the means of production and workers' self-management of enterprises. It includes the political theories and movements associated with such systems. Social ownership can be public, collective, cooperative or of equity.
