Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. _____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can

help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from *Magickal Cashbook*, *Wealth Magick*, *Magickal Angels*, *Magickal Seduction*, *Adventures In Sex Magick*, *The Magickal Job Seeker* and *Words of Power*. You can photocopy the images, use them directly in the book or even cut the book up and use the sigils in your magickal work. Images that contain color - such as the red central seal on the sigils from *Magickal Angels* - have been printed with color. The book also contains colored versions of the *Magickal Cashbook* sigils, to help them blend with your cashbook, along with the newly revised version of the Nitika sigil. This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or

There are one hundred and eleven sigils in this book that can help with anything from self-confidence to luck, from healing to protection, and from inspiration and intuition to love. Sigils provide you with a visual code that unlocks the essence of magick. This is not dark magick, but magick of light. You can do no harm with this magick, to yourself or to others.
