The Little Black Book of Hospital Medicine is a convenient resource offering instant access to vital information and is the ideal resource for today's hospitalist.

Your go-to-guide to delivering effective and transformative change that lasts All too often, change efforts fail to deliver on their promise. However it is possible to turn an organization around quickly to create a new future – one where people think and behave differently and deliver extraordinary results together. Whether you are the chairman, a board director or an aspiring senior executive, The Little Black Book of Change provides a practical, concise and insightful guide to understanding your organization and inventing something extraordinary. It is not about 'run of the mill' change programmes. It is about delivering extraordinary results – something that is not at all predictable. It will be your insight into creating significant shifts in the way people think and behave which can be applied in any area you wish; from improving service levels to cost reductions, innovation or increasing market share. Demystifies organisational transformation in 7 practical steps Based on real business case studies Grounded and accessible, rather than purely from theoretical models or processes The authors have 25 years' experience of implementing and facilitating transformations change Visit <http://www.littleblackbookofchange.com/>

A practical how-to guidebook to the healthcare system This slim, readable, to-the-point book tells you how to get the most out of the healthcare system with the least aggravation and wasted time and money. Written by a practicing doctor and health care attorney, this book is packed with straightforward, expert advice to guide you through: -Thinking about your overall health -Deciding if medical treatment is needed - Finding the best doctor for you -Talking to your doctor -Participating in decisions about tests and treatment -Reaping the most benefit from medication -Dealing with hospitalization and important health decisions -Navigating insurance -Creating a support network Written with compassion, wisdom, and humor, The Healthcare Little Black Book is a must-have for every individual and family.

Offers an introduction to the concept of 'excellence' in the several forms of maintenance used during the life of any system or facility. This book looks at various distinct forms of maintenance including: Routine Maintenance, Turnaround Maintenance, Program Maintenance, Project (Maintenance) Management, and Reliability in Maintenance.

Each year, thousands of US physicians, nurses, and other healthcare workers volunteer or are called on to practice medicine in a foreign country. The Little Black Book of International Medicine provides comprehensive, concise and evidence-based information to setting up a medical clinic and treating patients outside the US, especially in developing countries. This pocket-sized handbook is a convenient resource offering immediate access to vital information and makes a great reference for solving pressing problems in the field.

A smart, small book for any manager's pocket. In every manager's career there are moments wheredecisions need to be made in order to achieve success and thissmart, nicely packaged little book can be there to help each time.The trick to succeeding in these moments is to identify each ofthese situations ahead of time and understand how to act and whatto do to reduce the chances of failure. That is exactly what TheLittle Black Book for Managers has done. The authors havelisted a whole host of situations most managers face, based onthousands of personal experiences, and have mapped out how to dealwith each situation. The book contains specific examples of wordsand phrases that can be used as well as illustrations and exercisesto analyse your current performance. It is short on waffle and highon practical wisdom. It is designed to be dipped in and out of– reached for whenever a situation arises. This is apractical support tool for managers at all levels, from shop-floorsupervisor to main board director. The Little Black Book for Managers explains how to dealwith scenarios such as: Having a lack of confidence to deal with other people in theway that is needed Times when you have to assert your authority more Allocating critical work. Who to choose? Needing to get extra effort from the team when underpressure Incentivising Delegation Having to deal with under-performers Personality clashes between work colleagues Managing a meeting with senior leaders

Innovation transforms companies and markets. It's the key to solving vexing social problems. And it makes or breaks professional careers. But for all the enthusiasm the topic inspires, the practice of innovation - how to do it-has remained stubbornly impenetrable. No longer. In The Little Black Book of Innovation, leading thinker Scott D. Anthony draws from research, Innosight fieldwork with global giants such as Procter & Gamble, and personal experience launching and investing in start-up companies to demystify the discipline of innovation. With wit and remarkable insight born of years of both leading and teaching innovation, Anthony presents a simple definition of the concept, breaks down the essential differences between its various types, and illuminates its vital role in organizational success and personal growth.

Innovation may be the hottest discipline around today—in business circles and beyond. And for good reason. Innovation transforms companies and markets. It's the key to solving vexing social problems. For all the enthusiasm the topic inspires, however, the practice of innovation remains stubbornly impenetrable. No longer. In The Little Black Book of Innovation, long-time innovation expert Scott D. Anthony draws on stories from his research and field work with companies like Procter & Gamble to demystify innovation. In his trademark conversational and lively style, Anthony presents a simple definition of innovation, breaks down the essential differences between types of innovation, and illuminates innovation's vital role in organizational success and personal growth. This unique hybrid of professional memoir and business guidebook also provides a powerful 28-day program for mastering innovation's key steps: • Finding insight • Generating ideas • Building businesses • Strengthening innovation prowess in your workforce and organization With its wealth of illustrative case studies and vignettes from a range of companies around the globe, this engaging and potent playbook is a must-read for anyone seeking to turn themselves or their companies into true innovation powerhouses.

The Canadian edition of The Little Black Book of Scams is a compact and easy to use reference guide filled with information Canadians can use to protect themselves against a variety of common scams. It debunks common myths about scams, provides contact information for reporting a scam to the correct authority, and offers a step-by-step guide for scam victims to reduce their losses and avoid becoming repeat victims. Consumers and businesses can consult The Little Black Book of Scams to avoid falling victim to social media and mobile phone scams, fake charities and lotteries, dating and romance scams, and many other schemes used to defraud Canadians of their money and personal information.

The secret to making the right call in an increasingly complex world The decisions we make every day – frequently automatic and incredibly fast – impact every area of our lives. The Little Black Book of Decision Making delves into the cognition behind decision making, guiding you through the different ways your mind approaches various scenarios. You'll learn to notice that decision making is a matter of balance between your rational side and your intuition – the trick is in honing your intuition to steer you down the right path. Pure reasoning cannot provide all of the answers, and relying solely on intuition could prove catastrophic in business. There must be a balance between the two, and the proportions may change with each situation. This book helps you quickly pinpoint the right mix of logic and "gut feeling," and use it to find the best possible solution. Balance logic and intuition in your decision making approach Avoid traps set by the mind's inherent bias Understand the cognitive process of decision making Sharpen your professional judgement in any situation Decision making is the primary difference between organisations that lead and those that struggle. The Little Black Book of Decision Making helps you uncover errors in thinking before they become errors in judgement.
