Pattern Cycles are not easy or automatic; they require concentration, discipline, and skilled execution. But the payoff of these classic strategies is virtually unlimited. This book explains how traders can use technical analysis, charting, and market sentiment to make trades that hold through price fluctuations and noise with wider stops.

Over 30,000 online investors daily flock to pristine.com, the top-rated Website run by day trading legends Oliver Velez and Greg Capra, for up-to-the-minute strategies and market commentaries. In Tools and Tactics for the Master Day Trader, Velez and Capra revisit and completely update over 100 of their daily commentaries from the past four years, with new material explaining what worked, what didn't, and why. This no-nonsense, easy read, meant to be referenced by traders every trading day, covers everything from potent trading strategies to intuitive insights on psychology and discipline. Proving once again that the best teacher is experience, Tools and Tactics for the Master Day Trader will help any trader log on with the technical skills, market knowledge, and confidence they need to capture more winning trades, and reap new profits.

This essential guide to a trading strategy offers a viable (and profitable) alternative to both day-trading and the buy-and-hold mentality. Swing Trading presents the methods that allow busy people to hold positions for as long as a week to a month and then exit with a handsome profit. Where day traders execute many trades for nickels and dimes, swing traders take larger positions and make few moves for more substantial returns. This resource focuses on how you can achieve success and reap the rewards of this unique and profitable trading method. You'll find step-by-step guidance and valuable tips on free online tools you can use to apply the swing trading method and substantially grow your portfolio. Order your copy today.

Swing trading is a type of trading in which you hold positions in stocks or other investments over a period of time that can range from one day to a few weeks or more. If you are a beginner trader, this book will equip you with an understanding of where to start, how to start, what to expect from swing trading, and how you can develop your own strategy based on your personal goals. If you are a trader with some existing experience, this book will give you some insights on the author's approach to swing trading, rules that I follow and some strategies that I have used over the years to make profitable trades. In this book you will learn...

- What is swing trading and how does it differ from other trading strategies
- Why swing trading might be a better trading approach for you
- What tools you will need to swing trade as well as choosing a broker
- How to manage your money and the risks of trading
- How to perform some basic fundamental analysis on companies
- Charting basics followed by a presentation on some of the more popular technical analysis tools used to identify and make profitable trades
- Chart patterns that provide trading opportunities
- A number of swing trading strategies that can be used by both novices to more experienced traders
- Getting good entries and exits on trades to maximize gains
- How to run your trading activities like a business including some rules and routines to follow as a successful trader

I sincerely hope that you find value in the contents of this book and that it helps you toward achieving your goals and objectives in the trading world.

Nothing has changed the markets more in the last few years than the advent of direct access, the combination of NASDAQ Level II quotes and direct order routing which together enable savvy traders to "hit" bids and offers and go up against the market makers. But just having access to these tools is not enough. Knowing how to use the tools-quickly and expertly-is key. In The NASDAQ Trader's Toolkit, a former market maker reveals the secrets of NASDAQ trading systems.

Looking to take your position trading to the next level? Can't day trade because of other obligations? A Complete Guide to

Swing Trading as a Part Time Job will show you how to take your knowledge of technical analysis one step further. Learn how to: Capture profits from short term moves Know when to buy or sell the market Use options to increase leverage and limit risk Make money in up, down and sideways markets Earn extra income even with a small account Take the emotion out of trading By using a set of strict rules you can simplify your trading and make consistent profits without sitting in front of a computer all day. Learn how you can take advantages of short term explosive moves while still working a full time job. Seasoned traders can benefit by looking at the market from a different prospective. Oliver Velez, co-founder of Pristine.com and current CEO of Velez Capital Management, is renowned for his effective trading skills and specialized knowledge in technical analysis. His educational seminars are sought after by traders and often attended multiple times to extract every piece of wisdom from his presentations. Now, one of his most legendary sessions jumps from the screen into your hands in this coursebook of Velez's famed Swing Trading techniques. With detailed text and a vivid 90-minute DVD, you'll explore and master a highly profitable niche that exploits the two- to five-day holding period – a method too brief for large institutions, too lengthy for day traders, yet perfectly suited for individual investors with a mind toward success. In his captivating, high-energy style, Velez shows you how to: Spot opportunities using proven swing trading criteria; Define periods of market uncertainty and make the right moves; Discover key set-ups and effectively use moving averages; Read charts successfully, especially Japanese Candlesticks; Win by going against conventional trading wisdom; Understand and profit from understanding market psychology. Only in this book/DVD course combination will you be able to fully absorb the wealth of material that Oliver Velez is set up to offer. The easy-to-understand definitions and eye-opening self-tests bring the information to you and the power to your trades. Don't end up on the wrong side of the market. Swing Trading is the perfect tool for the investor who wants to understand the forces that shape the trading arena. This presentation has been viewed live and on DVD by hundreds of thousands of traders. Now you can use this course to rise above the impulse of novice traders. It's the best way to master the cycles and win consistent profits.
