Samuel J. Wagstaff Jr. (1921 – 1987) amassed an extraordinary collection of 26,000 photographs between 1973 and 1984, recognizing that photography was an undervalued art form on which he might have a profound impact as a collector. He was mainly attracted to photographs that stimulated his imagination, and his taste ran toward the idiosyncratic—images that surprised him chiefly because he had never seen them before. In choosing the 147 works reproduced in this volume, Paul Martineau selected masterpieces as well as images from obscure sources: daguerreotypes, cartes-de-visite, and stereographs, plus mug shots, medical photographs, and works by unknown makers. The latter category contains some of the most outstanding objects in the collection, demonstrating Wagstaff ' s willingness to position unfamiliar images alongside works by established masters as well as underrepresented contemporary artists of the time, including Jo Ann Callis, William Garnett, and Edmund Teske. This book is published to accompany an eponymous exhibition on view at the J. Paul Getty Museum from March 15 to July 31, 2016; at the Wadsworth Atheneum in Hartford, CT, from September 10 to December 11, 2016; and at the Portland Museum of Art in Portland, ME, from February 1 to April 30, 2017.

"A full-throttle, first-person account of the treasure hunt set in motion by Forest Fenn—an eccentric art dealer and, some would say, robber baron—in 2010 that lasted a full decade and became the stuff of contemporary legend. When Forest Fenn was told he was going to die, he hid a chest full of jewels and gold in the wilderness and published a poem that contained a series of clues about the treasure's secret location. But he didn't die, and he wouldn't reveal the location. The wild hunt went on for another ten years. Daniel Barbaris first learned of Fenn's hunt in 2017 when a friend began decoding the poem and convinced Barbaris to catalogue his search. What began as a great story documenting the history of Fenn's treasure hunt—the rumors, characters, and pitfalls—quickly turned into a personal quest, as Barbaris found himself on a sometimes reckless and possibly dead-end path, despite having a family at home. Over the course of the next three years, several searchers would die, endless controversies would erupt, and one anonymous unknown would find the ultimate prize. Rich with mystery, danger, and break-neck action, Barbaris's account of the imagination and drive of desire, of obsession, and of a particularly unbridled adventure is pure gold on the page!"
