Finger plays, jingles, and musical games provide entertainment for the nursery.

With over 250 nursery rhymes, including both well-known favourites and hidden gems, this collection has something for every child. Beautifully illustrated by Raymond Briggs, the much-loved creator of the Snowman, this revised edition of a famous classic first won the Kate Greenaway in 1966 and is now available again for a whole new generation.

Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in Homer's Odyssey stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public lined up to witness a mummified "mermaid" specimen

that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third of the selections are published here in English for the first time, and all are accompanied by commentary that explores their undercurrents, showing us how public perceptions of this popular mythical hybrid--at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

This exciting topic-based series offers early years practitioners collections of activities based on familiar themes. The activities can be easily implemented and readily incorporated into curriculum planning through links made to the Foundation Stage curriculum. Each book includes: activities that can be used on their own or as part of a themed program ideas for enjoying an all round curriculum approach guidance on expanding existing ideas and resources linked ideas to be carried out at home. Flight includes birds, airplanes, helicopters, magic carpets and fairies. It has strong ties with the science curriculum as well as linking with a variety of story books.
