Based on the best-selling West's Business Law, this text maintains its most popular features and continues to offer flexibility for different teaching philosophies. While focusing on public law issues such as ethics, government regulation, and administrative law, it also provides a good balance of private law topics such as contracts and sales. Selected cases begin with either a "Historical and Social Setting" or a "Company Profile" and address the AACSB's curriculum requirements by focusing on global, political, ethical, social, environmental, technological, and cultural diversity issues.

Comprehensive, authoritative, and cutting-edge, THE LEGAL ENVIRONMENT OF BUSINESS combines a classic black letter law approach with an interesting and accessible reader-friendly format. The cases, content,

and features of the exciting new ninth edition have been thoroughly updated to represent the latest developments in the business law environment. An excellent assortment of cases ranges from precedent-setting landmarks to important recent decisions, and ethical, global, and corporate themes are integrated throughout. In addition, numerous features and exercises help you master the material and apply what you have learned to real-world issues, and the text offers an unmatched range of support resources, including innovative online study tools that help you work effectively and maximize your results. It's no wonder THE LEGAL ENVIRONMENT OF BUSINESS is used by more colleges and universities than any other legal environment text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This popular text effectively combines a traditional case focus with clear and concise coverage of a wide range of up-to-date topics. Students are introduced to the impact of the law affecting business, while concentrating on information and applications essential to the business practitioner.

With THE LEGAL ENVIRONMENT OF BUSINESS, 13E readers can enjoy a practical introduction to the structure and function of the legal

system from the perspective of the professional non-lawyer. While the authors note the system's strong legal heritage, the book emphasizes the nuts and bolts of basic legal rules that most significantly impact business today. This popular book adapts a traditional case focus to address the unique needs of future and current business students. Clear, concise coverage of a wide range of timely topics introduces key points of law using business-specific examples and realistic scenarios. The authors' readable style complements their extensive knowledge of domestic and international business to make this book a favorite among both professionals and learners new to the legal environment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Written by two top Business Law professors, this new title for your Legal Environment of Business Course provides a streamlined and readable text that will also include digital access to test banks and PowerPoint slides for instructors and self-assessment questions for students. Features include: Cases edited to be both succinct and comprehensible in a way that will engage Legal Environment of Business
